

ecobee | SmartThermostat Pro

with voice control

One easy install can
make all the difference.

5-year warranty with professional installation, Alexa built-in, and state-of-the-art SmartSensor included.

Here's why pros love us.

RELIABLE

No common wire? No problem. Comes with a Power Extender Kit so it doesn't rely on other equipment to charge itself.

SIMPLE

Designed for quick and easy installation—everything you need is in the box.

COMPATIBLE

Works with gas, oil, electric, and dual fuel systems. Supports conventional (2H/2C) and heat pump (4H/2C) systems; ventilator, humidifier, dehumidifier, HRV, or ERV accessories.

Works with

ecobee SmartBuildings

Here's why customers love us.

COMFORT

Includes a SmartSensor to keep important rooms comfortable by adjusting your thermostat based on occupancy and temperature.

SAVINGS

Reduces energy use and helps homeowners save up to 23%* on heating and cooling costs.

ADVANCED CONTROL

With Alexa built-in, your customers can ask to play music, hear the news, check weather, control smart home devices, and more. Plus they can control from anywhere with any iOS or Android device.

*Compared to a hold of 72°F. Learn more at ecobee.com/savings
